Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such a remedy can be used for the hair which is falling out, and for the itching, burning, and inflamed scalp, which is the result of itching the hair with a rusty preparation. Its occasional use will prevent the hair from turning gray or falling out, and consequently prevent baldness. Free from those deleterious salutes which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. It is wanted merely for a

## HAIR DRESSING,

nothing else can be found so desirable. Combining neither oil nor dyes, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a graceful perfume.
